

SOS Mix Recipe

Have you ever heard of the SOS mix? It stands for Soup or Sauce mix and it is quick and easy. One of our agents, Debbie Proctor from Wasatch County, shared this little cooking “secret” on a famous Utah blog called One Good Thing by Jillee.

We love how Jillee took this simple recipe and ran with it. She created the jar and a round label for the top with the instructions as part of her pantry makeover.

If you'd like the SOS mix recipe, hop over to One Good Thing by Jillee . You can also get more than **30 recipes** for sauces, gravies, soups and casseroles including the SOS mix recipe by downloading the free booklet that Debbie and Ellen Serfustini, Carbon County Extension agent, put together.
