

Upcoming Event: Marriage Survival Course!

Can Your Marriage Survive?

It's a Jungle Out There!

Married, engaged, and seriously dating couples are invited to participate in a five-week course that will help couples enrich their relationship and build a healthier marriage.

Topics that will be covered in the classes include:

increasing commitment, communication skills, financial harmony, strengthening your relationship, and protecting your marriage.

Come join us for a fun evening while learning about healthy relationships. **A light dinner will be served.** Class size is limited.
