

Avoid Charity Scams this Holiday Season

Tis the season for increased awareness of and opportunity for charitable giving. Unfortunately, scammers take advantage of the holiday season to tug at our heartstrings and try to get to our wallets. I stopped by Studio 5 to chat with Brooke about how a little research will help you avoid a scam and ensure that your gift goes to a reputable charity that will use the money as you intend.

Head over to famfinpro.com to read Amanda Christensen's list of things to consider before giving this holiday season.
